

## public works

Department:  
Public Works  
**PROVINCE OF KWAZULU-NATAL**

### **EMERGENCY DATABASE OF CONTRACTORS FOR CONSTRUCTION OF QUARANTINE/ISOLATION FACILITIES: DEPARTMENT OF HEALTH PROJECTS**

Applications are hereby requested from qualified and suitable Contractors to be included in the Departmental Emergency Database for construction of quarantine/isolation facilities in the Province for COVID-19 patients in identified hospitals in the Province.

The Country is currently facing a disaster with a rapid spread of the virus that has resulted in the President declaring a National Disaster on the 15<sup>th</sup> of March 2020. Due to the rapid spread of the virus the Department of Health has directed that the suspected cases be contained in quarantine/isolation facilities.

The following are the **REQUIREMENTS** for inclusion in the Database:

1. Contractors with CIDB Grading of 7GB and above or relevant JV.
2. Contractors which have successfully completed Department of Health projects for Private or Public Sector;
3. Award Letters reflecting amounts and Completion Certificates for Health Projects; and
4. Proof of Registration with Central Supplier Database.

Failure to conform to the above requirements will lead to **ELIMINATION**.

Please **NOTE** the Department will:

- verify the information submitted
- conduct a detailed risk assessment on all applications received.

Please further be advised that once in the Database the Department may request for quotations on short notice.

Contractors are therefore requested to **ONLY** forward or send their **APPLICATIONS** together with required information, to the following e-mail address: [mduduzi.mzobe@kznworks.gov.za](mailto:mduduzi.mzobe@kznworks.gov.za), not later than Wednesday the 13<sup>th</sup> of May 2020.

SCM related enquiries may be referred to Mr. M. Mzobe – 083 515 9410 or e-mail above.
