SPECIAL INSTRUCTIONS AND NOTICES TO BIDDERS REGARDING THE COMPLETION OF BIDDING FORMS

PLEASE NOTE THAT THIS BID IS SUBJECT TO TREASURY REGULATIONS 16A ISSUED IN TERMS OF THE PUBLIC FINANCE MANAGEMENT ACT, 1999, THE KWAZULU-NATAL SUPPLY CHAIN MANAGEMENT POLICY FRAMEWORK.

1. Unless inconsistent with or expressly indicated otherwise by the context, the singular shall include the plural and visa versa and with words importing the masculine gender shall include the feminine and the neuter.
2. Under no circumstances whatsoever may the bid forms be retyped or redrafted. Photocopies of the original bid documentation may be used, but an original signature must appear on such photocopies.
3. The bidder is advised to check the number of pages and to satisfy himself that none are missing or duplicated.
4. Bids submitted must be complete in all respects.
5. Bids shall be lodged at the address indicated not later than the closing time specified for their receipt, and in accordance with the directives in the bid documents.
6. Each bid shall be addressed in accordance with the directives in the bid documents and shall be lodged in a separate sealed envelope, with the name and address of the bidder, the bid number and closing date indicated on the envelope. The envelope shall not contain documents relating to any bid other than that shown on the envelope. If this provision is not complied with, such bids may be rejected as being invalid.
7. All bids received in sealed envelopes with the relevant bid numbers on the envelopes are kept unopened in safe custody until the closing time of the bids. Where, however, a bid is received open, it shall be sealed. If it is received without a bid number on the envelope, it shall be opened, the bid number ascertained, the envelope sealed and the bid number written on the envelope.
8. A specific box is provided for the receipt of bids, and no bid found in any other box or elsewhere subsequent to the closing date and time of bid will be considered.
9. No bid sent through the post will be considered if it is received after the closing date and time stipulated in the bid documentation, and proof of posting will not be accepted as proof of delivery.
10. No bid submitted by telefax, telegraphic or other electronic means will be considered.
11. Bidding documents must not be included in packages containing samples. Such bids may be rejected as being invalid.
12. Any alteration made by the bidder must be initialed.
13. Use of correcting fluid is prohibited.
14. Bids will be opened in public as soon as practicable after the closing time of bid.
15. Where practical, prices are made public at the time of opening bids.
16. If it is desired to make more than one offer against any individual item, such offers should be given on a photocopy of the page in question. Clear indication thereof must be stated on the schedules attached.
17. Bidder must initial each and every page of the bid document.

SECTION B

REGISTRATION ON THE CENTRAL SUPPLIERS DATABASE

In terms of the National Treasury Instruction Note, all suppliers of goods and services to the State are required to register on the Central Suppliers Database.

Prospective suppliers should self-register on the CSD website www.csd.gov.za

If a business is registered on the Database and it is found subsequently that false or incorrect information has been supplied, then the Department may, without prejudice to any other legal rights or remedies it may have;

3.1 cancel a bid or a contract awarded to such supplier, and the supplier would become liable for any damages if a less favourable bid is accepted or less favourable arrangements are made.

The same principles as set out in paragraph 3 above are applicable should the supplier fail to request updating of its information on the Central Suppliers Database, relating to changed particulars or circumstances.

IF THE SUPPLIER IS NOT REGISTERED AT THE CLOSING TIME OF BID, THE SUPPLIER WILL BE DISQUALIFIED AT THE BID EVALUATION PROCESS.

SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) & \text{or} & P_s = 90 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right) \end{array}$$

Where

P_s = Points scored for price of tender under consideration

P_t = Price of tender under consideration

P_{min} = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ P_s = 80 \left(1 + \frac{P_t - P_{max}}{P_{max}} \right) & \text{or} & P_s = 90 \left(1 + \frac{P_t - P_{max}}{P_{max}} \right) \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
 Pt = Price of tender under consideration
 Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1: In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system) (To be completed by the organ of state)	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (90/10 system) (To be completed by the tenderer)	Number of points claimed (80/20 system) (To be completed by the tenderer)

SECTION I

GENERAL CONDITIONS OF CONTRACT

Definitions

The following terms shall be interpreted as indicated:

"Closing time" means the date and hour specified in the bidding documents for the receipt of bids.

"Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

"Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.

"Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

"Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.

"Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.

"Day" means calendar day.

"Delivery" means delivery in compliance of the conditions of the contract or order.

"Delivery ex stock" means immediate delivery directly from stock actually on hand.

"Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.

"Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

"Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

"Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.

"GCC" means the General Conditions of Contract.

"Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.

"Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.

"Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.

"Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.

"Order" means an official written order issued for the supply of goods or works or the rendering of a service.

"Project site," where applicable, means the place indicated in bidding documents.

"Purchaser" means the organization purchasing the goods.

"Republic" means the Republic of South Africa.

"SCC" means the Special Conditions of Contract.

"Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

"Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

Application

These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.

Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

General

Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

Standards

The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

Use of contract documents and information; inspection.

The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.

The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

Patent rights

The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

Performance security

Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.

The performance security shall be denominated in the currency of the contract or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or

a cashier's or certified cheque

The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

Inspections, tests and analyses

All pre-bidding testing will be for the account of the bidder.

If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

Delivery and documents

Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

Documents to be submitted by the supplier are specified in SCC.

Three sets of bound, hard-copy reports will have to be produced and 1 sets of soft copies in USB format contents compatible with departmental software must be produced at the end of the contract.

Electronic updating of Archibus with condition assessments reports on provided URL

Insurance

The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

Transportation

Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

Incidental Services

The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- performance or supervision of on-site assembly and/or commissioning of the supplied goods;
- furnishing of tools required for assembly and/or maintenance of the supplied goods;
- furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

Spare parts

As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- in the event of termination of production of the spare parts:
 - Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

Warranty

The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

Payment

The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.

The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.

Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.

Payment will be made in Rand unless otherwise stipulated in SCC.

Prices

Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

Contract amendments

No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

Assignment

The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

Subcontracts

The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

Delays in the supplier's performance

Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

Penalties

Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, **deduct from the contract price, as a penalty, a sum calculated by deducting 0.04% per day on the total contract amount until actual delivery or performance** a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

Termination for default

The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;

if the Supplier fails to perform any other obligation(s) under the contract; or

if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

the name and address of the supplier and / or person restricted by the purchaser;

the date of commencement of the restriction

the period of restriction; and

the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

Anti-dumping and countervailing duties and rights

When, after the date of bid, provisional payments are required, or antidumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

Force Majeure

Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

Termination for insolvency

The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

Settlement of Disputes

If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.

Notwithstanding any reference to mediation and/or court proceedings herein,

the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and the purchaser shall pay the supplier any monies due the supplier.

Limitation of liability

Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6; the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

Governing language

The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

Applicable law

The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

Notices

Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.

The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

Taxes and duties

A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue

Services.

National Industrial Participation (NIP) Programme

The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

Prohibition of Restrictive practices

In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).

If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

SECTION J

1. Supplier must be registered on CSD to be awarded.
2. Supplier must deliver as per the specification provided.
3. Should bidders not quote for all items, they will be considered as being non-responsive.

The total quotation price must be inclusive of the cost of the supply, delivery.

5. The price quoted must be fixed for the period of 120 days.
6. The Department reserves the right not to award to the lowest bidder.
7. The Department will conduct a detailed risk assessment prior to the award.

The offers must remain valid for a period of 120 days from the closing date of the submission of bids.

SECTION K

Terms of Reference/ Specifications

1. BACKGROUND

- In terms of section 13(1) (d) (iii) of Government Immovable Asset Management Act (GIAMA), which came into effect on 1 April 2010 for all provincial departments / Users; the custodian must assess the condition of all state immovable assets at least every fifth year
- The building's condition gives a measure of the effectiveness of the current maintenance programmes as it determines the remaining useful life of components or subsystems and compares it with the full economic life expectancy - given good maintenance
- As the custodian, the Department of Public Works needs to comply with the provisions of GIAMA, therefore it is imperative that these condition assessments are conducted

2. SCOPE OF WORK

2.1 The successful Service Provider will be required to undertake conditional assessments, using immovable assets condition assessments templates and field exercises in verification and assessing a number of state owned office buildings spread geographically as per section 4.1.

2.2 In line with the GIAMA Norms and Standards, The Facilities Condition Assessment Services described herein shall be performed by a Consultant composed of a team of professionals with credentials, experience, specialized skills and a high level of technical knowledge to visually inspect, evaluate and document the condition of the materials, building components, and systems of designated facilities.

3. To evaluate all conditional assessments and develop a priority list of urgent maintenance - in terms of ratings, which will assist the department in undertaking critical and much needed maintenance work.

A. Comprehensive Facility Condition Assessment

1) Conduct a detailed condition survey and assessments of the State Owned office buildings utilised by provincial departments to determine the following:-

- Facility Condition Assessment,
 - Internal and external structure
 - Roofing
 - Landscaping
 - Parking
 - Mechanical & electrical items
 - Lighting
 - Occupational Health & Safety Compliance
 - Disability compliance
 - Traffic and general public accessibility
 - Location in relation to services rendering
 - Environmental/greening impact
 - Occupancy
 - Required performance standard
 - Accessibility rating
 - Suitability Index
 - Condition Rating
 - Operating performance index
 - Functional performance index
 - Lifecycle analysis & costs
 - Facility condition Index - FCI
 - Current replacement cost – CRC
 - Expected useful life – EUL
 - Remaining useful life - RUL
 - History of additions to date
 - Improvement Plan – a plan for proposed renovations (as taken from the FCA) or minor/major system improvements, order of magnitude of improvement per building and occupancy, including costs thereof. This plan must take cognisance of the department's existing building portfolio, impact of remedial works to service delivery, departmental corporate and service delivery objectives and the building maintenance environment in the district. These will be categorised in terms of:-
 - Short-term (0 years) / urgent
 - Medium-term (1 - 2 years)
 - Long-term (3 years)
 - Develop a maintenance plan (financial) categorised in terms of:
 - Short-term / Deferred maintenance (0 – 1 year)
 - Medium-term (2 – 3 years)
 - Long-term (4 – 5 years)
- NB: **Firstly**, the above plan must be in a form of a Gantt chart or similar layout indicating the elements to be refurbished and duration of such works spread per respective short, medium and long term needs.

- Propose solutions and strategies to optimise the utilisation of the property portfolio by conducting a Space Needs Analysis by matching premises to Departmental requirements and guided by the departmental and national norms. Furthermore provide strategies in the optimal upkeep and sustainability of the property portfolio to ensure efficient service delivery and its life cycle.

3.3 Reporting

3.3.1 A detailed condition survey and assessments of the State owned office buildings utilised by provincial Departments to determine the following:-

- Facility Condition Assessment,
 - Internal and external structure (as per FCA group elements)
 - Occupational Health & Safety Compliance
 - Disability compliance
 - GIAMA ratings
 - Lifecycle analysis and costs
 - Environmental sustainability/green practices

3.3.2 Plan for proposed renovations (as taken from the FCA) or minor/major system improvements, order of magnitude of improvement per building and occupancy, including costs thereof. These will be categorised in terms of:-

- Urgent
- Short-term Needs (0-1 years)
- Medium-term needs (2-3 years)
- Long-term needs (4-5 years)

3.3.3 Develop a maintenance plan (financial) categorised in terms of:-

- Urgent
- Short-term Needs /Deferred maintenance (0-1 years)
- Medium-term needs (2-3 years)
- Long-term needs (4-5 years)

- Propose solutions and strategies to optimise the utilisation of the property portfolio by conducting a Space planning Needs Analysis by matching premises to Departmental requirements and guided by the departmental and national norms.

4. DELIVERABLES /BASIS OF APPOINTMENT

4.1 Due to the large number of facilities and the fact that they are spread across the province, these facilities will be clustered together following their geographic locations as per provided list via email.

Region	No. of Facilities	Services
Departmental Facilities	150	Facility Conditional Assessments
Total	150	

- 4.2 The appointment is for **one (1)** tendering entity to conduct facility conditional assessments on all clusters (160 facilities), as referenced in table 4.1
- 4.3 The Department of Public Works recommends that the appointed entity have their offices based in KZN. Should a tendering entity outside the province feel they have the capacity and/or capability to undertake the assessments, they should prove that they have offices within the province or supplement the tender document with a detailed travel costing and include it with the final tender price.
- 4.4 Should the tendering entity not have multi-disciplinary professionals under their employ, it will be their responsibility to appoint sub-consultants on drastically derelict facilities, after submitting a motivation to the project leader and with prior written approval from the Department, on a need-based priority. E.g. Architect for drawing of as-builts, Structural/Civil Engineer for extensively damaged facilities and more in-depth analysis, OHS consultants etc.
- 4.5 The onus is on the appointed consultant to ensure that they have the human resources to undertake the assessments and complete them in the stipulated time.
- 4.6 The appointed consultant will be responsible to co-ordinate and manage the respective sub consultants and ensure the completion of the assessments within **Three Months** of appointment.
- 4.7 It is the duty of the appointed professional to report to the departmental project leader on a weekly basis to provide an update on the facility conditional assessments and outline any issues encountered. A schedule of site visits must be produced upon being awarded the tender, outlining provisional dates for site visits.
- 4.8 An organogram showing provisional team leaders and their teams, and the number of facilities that will be allocated to them must be provided.

5. REQUIRED SKILLS, KNOWLEDGE AND COMPETENCIES:

- Understanding of Government Immovable Asset Management Act, 2007 (GIAMA)
- Understanding OF KZN Land Administration and Immovable Asset Management Act, 2014
- Knowledge of PFMA, 1999 as amended and Treasury Regulations
- Understanding the Construction Industry Development Board Act, 2000
- Research and policy formulation skills
- Understanding of National Infrastructure Maintenance Strategy
- Project management, financial management and strategic planning skills
- Presentation and facilitation skills
- Property Management & Planning skills
- Technical skills (built environment)
- Understanding of Division of Revenue Act, 2010 (DORA)
- Understanding of the National Treasury Regulations
- Understanding of KZN Provincial Growth and Development Plan/Strategy

6. QUALIFICATIONS AND REQUIREMENTS

1. The appointed service provider must have staff with relevant professional qualifications in built environment and be registered as a professional with applicable Councils. All tendering entities must have at least one Professional Engineer and Professional Quantity Surveyor under their employ (proof of all registration to be submitted).
2. The appointed professional must have experience in undertaking facility conditional assessments and the development of maintenance plans.
3. The appointed professional service provider can utilise unregistered graduates with built environment qualifications provided they work under supervision of a professional

7. COSTING (THE LIST OF FACILITIES AND DETAILS WILL BE PROVIDED ON BRIEFING SESSION VIA EMAIL OR OWN PROVIDED USB FOR DETAILS OF FACILITIES)

7.1 Tendering service providers to utilise latest NDPW gazetted rates applicable during advert for each relevant professional body. 70% of rates for registered technicians to be utilised for unregistered built environment graduates. The costing for the professional services of the project are to be quoted on a **time-based** fee, producing a lump sum as per the allocated hours per REGION (refer to tables in section 8) whereas subsistence & travelling must be itemized separately on a lump **sum basis** and incorporated in the final cost as indicated in your form of offer. All totals to be added to table 9 in order to achieve the total cost for the project.

7.2 The hours as specified in the costing tables below are the **maximum** hours designated to the relevant cluster of facilities. Should the awardee anticipate exceeding these hours, a formal motivation must be submitted **prior** to exceeding the stipulated hours,

outlining the reasoning for exceeding this together with the amount of additional time required. The motivation must be submitted to the project leader for consideration and approval.

7.3 Payments to the Consultant will be made upon submission of the following deliverables per region:-

- 7.3.1 Completion of Project Briefs, Project Plans and schedules, Verification of Scope with Google Earth Picture of offices with co-ordinates.
- 7.3.2 Completion of Preliminary Reports, including photographs, asset registers, replacement and maintenance costs.
- 7.3.3 Submission of Final Amended Reports to DoPW.
- 7.3.4 Supplementary Services (Administration and copying, subsistence and travelling) tendered amount to be claimed on final invoice/payment as a lump sum.

Use tables in section 8. to complete costings per seniority of consultants, built environment graduates on the project, supplementary service, and allocated hours.

ANNEXURE E: LIST OF FACILITIES

Kindly note that the list of facilities may change due to duplications, facilities already under maintenance/upgrades and refurbishments, facilities conducted within last five years, etc. The facilities under the mentioned categories will be replaced during the course of the contract. Successful professional service provider will be expected to share their programme of site visits a week prior actual assessment to allow the department to verify/replace the earmarked facilities if there is a need. Cluster pricing is a guide to arriving at total tender amount.
